ANNUAL FEES

- The Tuition Fee, the Infrastructure Levy and the International Student Levy are payable in advance on 1 October 2023 for Semester 1 2024, and are billed on 1 April 2024 for Semester 2 2024
- The Consolidated Charge is billed during the year of tuition on 1 April 2024 for Semester 1 2024 and on 1 October 2024 for Semester 2 2024. Year 12 students will be billed their annual Consolidated Charge in full on 1 April 2024, together with the final Tuition Fee
- GST is not applicable to either the Tuition Fee, the Infrastructure Levy nor the International Student Levy. The Consolidated Charge, however, includes some services to which GST is applicable

Wesley College operates on two semesters: a total of two study periods per year.

- Semester 1 comprises Terms 1 and 2, from late January through to June, with a holiday break in April
- Semester 2 comprises Terms 3 and 4, from July through to December, with a holiday break in September

Fees, as outlined in the letter of offer, are payable on confirmation of enrolment, for the first two study periods of the course. Thereafter, fees are payable in two instalments per year, billed on 1 April and 1 October.

The College has a three-month instalment option for families to settle the 1 October and 1 April semester invoices. Please note, settlement of the Semester 1 2024 school fee invoice is confirmation of your re-enrolment with Wesley College and acceptance of the College's published terms and conditions as updated from time to time on the website.
