## After school classes

School holiday programs

Wesley's after school programs provide children with opportunities to try different activities, develop their skills, explore their passions, and make new friends.

## All interests, all year levels, all abilities

After school classes at Wesley College provide a great opportunity for children of all ages and abilities to explore new activities, develop their skills and express their creativity. Whether they're looking for a new mental challenge or some fun physical activity, each Wesley campus offers a variety of stimulating and engaging after school programs for children.

Classes run for the duration of each term and typically commence at the end of the school day, allowing children an easy transition from the classroom to their after school class.

## Information and enrolments

Classes and timetables vary each term and by campus.

To learn more about the after-school programs and how to enrol, please visit the relevant Campus and programs below.

As programs are popular and places are limited we advise you to enrol early.
