After school classes

School holiday programs

Wesley's after school programs provide children with opportunities to try different activities, develop their skills, explore their passions, and make new friends.

All interests, all year levels, all abilities

After school classes at Wesley College provide a great opportunity for children of all ages and abilities to explore new activities, develop their skills and express their creativity. Whether they're looking for a new mental challenge or some fun physical activity, each Wesley campus offers a variety of stimulating and engaging after school programs for children.

Classes run for the duration of each term and typically commence at the end of the school day, allowing children an easy transition from the classroom to their after school class.

Information and enrolments

Classes and timetables vary each term and by campus.

To learn more about the after-school programs and how to enrol, please visit the relevant Campus and programs below.

As programs are popular and places are limited we advise you to enrol early.

Elsternwick Campus

Xsoar Tennis

Day & Time: Mondays 3.30pm - 4.30pm
Fee: \$270*
Dates: Monday 27 April to Monday 22 June
(no class on Monday 8 June – public holiday)
Location: Tennis Courts
Suitable Ages: Prep - Year 6
Website: XsoarPerform.com
Email: info@xsoarperform.com
Tel: 0421 648 805
Booking link: [Book Here](#)

XSOAR Perform is a leading tennis academy that delivers specialised tennis training programs to empower young tennis players to “break boundaries” so they can unleash their true potential. The program is designed to progressively build and accelerate the student's technical and tactical skills throughout the term and over the course of the year. Children must wear sporting appropriate clothing, footwear and hat. Limited spots are available. In the event of extreme weather conditions, tennis coaching will be conducted indoors in the Barry Sports Hall, and children can be collected from there instead.

To enrol, please book online. *Note no refunds or credits available.

Melbourne Magic Academy

Day & Time: Mondays 3.30pm - 4.30pm
Fee: \$360* (includes all NEW magic material, activities, tuition, etc)
Dates: Monday 27 April to Monday 22 June
(no class on Monday 8 June – public holiday)
Location: Music Classroom N9
Suitable Ages: Prep – Year 6
Website: MagicAcademy.com.au
Email: admin@magicacademy.com.au
Tel: 0407 583 080
Booking link: [Book Here](#)

Join us for magic, fun, learning and laughter. Get ready to take an amazing adventure into the exciting world of magic. Learn incredible magic tricks, play awesome games, make great friends!

Melbourne Magic Academy exists to create more happiness and empathy in our kids and add a little magic in our world. Learn how to move objects with your mind, make a monkey appear and operate a time machine and so much more!

Bring a friend (who hasn't been to our magic class before) and each receive a \$25 DISCOUNT on program fees. Just email admin@magicacademy.com.au your friend's name and their email and we will send both of you a magic promo code.

Limited availability - No magic Experience needed! All enrolments are taken online.

Soccer

Day & Time: Wednesdays 3.30pm – 4.30pm
Fee: \$250
Dates: Wednesday 29 April – Wednesday 24 June
Location: Big Lawn
Suitable Ages: Prep - Year 6
Website: SmallSidedSoccer.com.au
Email: samuel.young@wesleycollege.edu.au
Tel: 0406 907 073
Booking: [Book Here](#)

Join Wesley College Head Coach of Soccer, Samuel Young, and the team of coaches for a term of after schools' skills training. Built on three years of success in our established Friday program, we are excited to now offer this opportunity to students from the Elsternwick Campus on Wednesdays.

The program centres on small-sided games designed to develop the technical skills required to play the game, delivered in a fun and engaging environment tailored to players of all abilities. Players train in their year level in small groups of eight, ensuring more touches on the ball, higher repetitions of attacking and defending actions, in an enjoyable, high-quality learning experience.

Chinese Mandarin Stars

Day & Time: Thursdays 3.30pm-4.30pm
Fee: \$40 per session (\$35 for printed materials and online resources for the Term)
Dates: Thursday 30 April – Thursday 25 June
Location: B1 Makerspace
Suitable Ages: Prep - Year 5
Website: MandarinStars.com.au
Email: nita@mandarinstars.com.au
Tel: 0415 067 890
Booking link: [Book Here](#)

The Mandarin Stars program offers:

- An engaging program that will inspire a love for learning Chinese
- An immersion based program that teaches strong listening and speaking skills in Mandarin
- Language building activities such as role play, Chinese songs, rhymes and games
- The teaching of Chinese characters, reading, writing and Pin Yin
- The discovery of Chinese history, culture, festivals and many more

Chess for Schools

Day & Time: Thursdays 3.30pm-4.20pm
Fee: \$195
Dates: Thursday 30 April – Thursday 25 June
Location: Library
Suitable Ages: Year 1 – Year 6
Website: ChessForSchools.com.au
Email: admin@chessforschools.com.au
Tel: 0423 144 682
Booking link: [Book Here](#)

Chess is great for developing strategic thinking skills, improved self-esteem, an increased attention span in class, lateral thinking, teamwork and analytical skills. Join the Chess for School's team as they teach the strategies of this great game while taking part in a fun tournament play off. Prizes are awarded at the end of the term.

Website: CodeCamp.com.au
Email: hello@codecamp.com.au
Tel: 1300 263 322
Booking Link: [Wesley - Elsternwick | Minecraft Engineers](#)

*Use coupon code SCHOOL15 at checkout to save \$15

After-School Minecraft Engineers is an action-packed journey into coding, engineering and design – all inside the world students already love: Minecraft!

Each week, students take on exciting build challenges as they create epic rollercoasters, towering skyscrapers, clever circuits and more. Along the way, they dive into engineering principles, master Redstone mechanics, and explore foundational programming concepts – building real-world STEM skills through hands-on, creative fun.
